

New Year

The Breeders

We have come for light
Wholly, we have come for light
It's true
I am the sun
I am the new year
I am the rain

I am the sun
I am the new year
I am the way home
I am the way home

I am the rain
I am the new year
I am the sun

I am the rain
I am the new year
I'm the way
It's true
