

No Aloha

The Breeders

No bye, no aloha
Gone with a rock promoter
A rock promoter
I know, I saw
And now may die

Oh, all the treats
Saw it on the wall
Motherhood means mental freeze
(Freezeheads)
No aloha
I know, I saw
And now may die

No bye, no aloha
Gone with a rock promoter
A rock promoter
I know, I saw
And now may die
