

Oh!

The Breeders

Oh!  
Last flight  
Get lost in the moss  
And oh, oh  
Fall in the neon mine  
Push me down  
Push me down  
Push me down

Still rolling in the stones  
Run to the log that's rotten  
And oh, oh  
Your soft belly bossing lows  
Push me down  
Push me down  
Push me down

Run to the log that's rotten  
Your soft belly bossing lows  
Push me down  
Push me down  
Push me down
