

End of the Day

The Brian Jonestown Massacre

I want to be
In your hands
I wait to see
I'm meeting your demands
I'm making your demand
So sad

I too soon
On what you are

It's like

You want much more than I
Can give
You waited for a time
This I will wait

Sometimes
Took this
She wants much more than I
Can give
Sorry
Not sorry eyes
What you want
To get

You want much more than I
Can give
Can give
