

Feel So Good

The Brian Jonestown Massacre

I think about you, honey, every day
Make love forever and it's okay
Don't gotta tell me 'cause I know it's true
The way you love me, baby, through and through
It's makes me feel so good
I know you feel so good
You love it feels so good
I want to feel so good
I dream about you almost every night
Can't live without you, better treat you right
I take you up, when you're feeling down
I make you laugh 'cause I love the sound
And it feels so good
I want to feel so good
We're gonna feel so good
I want to feel so good
I have a feeling you're the only one
'Cause when we're naked having so much fun
I gotta say it so you'll understand
Just let me love you, honey, if I can
Make it feel so good
I want to feel so good
You're gonna feel so good
I want to feel so good
Gonna feel so good
I want to feel so good
You're gonna feel so good
I want to feel so good
Gonna feel so good
You're gonna feel so good
Gonna feel so good
I want to feel so good
Gonna feel so good
I want to feel so good
