

## Leave Nothing for Sancho

The Brian Jonestown Massacre

I stole a car just to get me away  
I only kept it for half a day  
I took the car just to get to the place  
To see the girl with the prettiest face  
And when I met her in the park  
Dancing naked after dark  
I got dressed because it started to rain  
Somehow I knew, I would never see her again  
I had to go I didn't want to be late  
I checked my watch it was half past eight  
I couldn't say if I would see her again  
I only met her man, we're not even friends  
Oh  
Oh  
Stolen hearts  
Oh  
Oh  
Broken hearts
