

## Straight Up and Down

### The Brian Jonestown Massacre

I try to see, well, I guess that I'm blind  
She's fine with me  
'Cause I'm sick and tired of trying, yeah  
'Cause I've made disappointment my very best friend  
I wait to see  
What you're going to be and when, yeah  
We don't want you be yourself, you see  
We want you to free yourself  
We don't want you to see yourself, ? free  
We want you to be ?, I love you  
Don't you try so hard  
I never feel like I feel when I'm flying  
I don't care where I'm living or I'm dying, yeah  
'Cause I've made disappointment my very best friend  
I wait to see you  
We're gonna be ?, yeah  
We don't want you to be yourself, you see  
We want you to free yourself  
We don't want you to be ? or free  
We want you to ?, I love you  
Don't you try so hard  
Cause I know it so well  
How I never could tell  
Who's my very best friend  
Who I know it so well  
I'm your very best friend  
Now I know it so well  
I could make it in me  
Why don't you be yourself, you see  
We like you to be yourself  
We don't want you to be ?  
We want you to be you, I love you  
But you ? me ?  
I spent all the money I had, just to treat you so fine  
You know I can get what I want  
While I'm getting what's mine  
See you, you don't know shame  
You won't give me the chance  
I'm beggin' your momma and your daddy just to give me the chance  
Ahh, I'm getting nothing  
I give everything I got just to treat you real fine  
Know I will give you what I want  
While I'm getting what's mine  
I see you, you have no shame  
You won't give me the chance  
I'm beggin' your momma and your daddy just to give me one chance  
They're tellin' me now  
Maybe (maybe)  
Maybe (maybe)  
Maybe (maybe)  
Maybe (maybe)  
Maybe, maybe, maybe  
Would you give me the chance  
'Cause ?  
We don't want you to be yourself, you see  
We want you to free yourself  
We don't want you to see yourself, ?

We want you to ?, I love you  
But you ? me ?  
We don't you to be yourself, you see  
We want you to free yourself  
We don't want you to beat yourself up ?  
We want you to free you  
Ooh ooh
