## This Is the One Thing We Did Not Want to Have Happen

The Brian Jonestown Massacre

This is a bringing a thing that we load The doctor (?) loading above Look to the war that sudden in the space And older band that works (?) influence All that I've seen and all that I've known And all of the pretenses I've had and I've blown And all of the good times and sometimes the bad Are all of the reasons that are making you mad We were strangers before we met, we were strangers before we me t All that I've seen and all that I've known And all of the pretenses I've had and I've blown And all of the good times and sometimes the bad Are all of the reasons that are making you mad We were strangers before we met, we were strangers before we me t (We were strangers before we met) We were strangers before we met, we were strangers before we me t We were strangers before we met, we were strangers before we me t We were strangers before we met, we were strangers before we me t We were strangers before we met, we were strangers before we me t We were strangers before we met, we were strangers before we me t
