## **True Love**

## The Brian Jonestown Massacre

One I'd boo, the other pray Marching by, I heard him say I looked far for so long, I can't find my way Back to my sad lover's heart I took my lover Down to the river I drew my silver dagger Straight through my true lover's heart Straight in my true lover's heart One eye blue, the other gray Staring down, I heard you say I looked far for so long, I can't find my way Back to my sad lover's arms
