The Brian Jonestown Massacre

If I thought I knew the reason
Why I've gone and fallen
In love with you
You're the one thing I believe in
And I know quite well
What I've got to do
First you say it's okay
Then you say there's no way
Then I'm making love to you!
You're the one thing I believe in
And know it's time cause I've
Got to tell you

My love
Is
Like a flower
Daisies
Are
Always free.
Pulling out
The petals
I
Wonder,
If you
Love me?
Love.
Love me,
Love me!

If I thought I knew the reason
Why I've gone and fallen
In love with you
You're the one thing I believe in
And I know it's time because I've
Got to tell you
First you say it's okay
Then you say there's no way
Then I'm making love to you!
You're the one thing I believe in
And
I'll get my way
Or
I'm going to kill you
