The Brian Jonestown Massacre

If I thought I knew the reason Why I've gone and fallen In love with you You're the one thing I believe in And I know quite well What I've got to do First you say it's okay Then you say there's no way Then I'm making love to you! You're the one thing I believe in And know it's time cause I've Got to tell you My love Is Like a flower Daisies Are Always free. Pulling out The petals Ι Wonder, If you Love me? Love. Love me, Love me! If I thought I knew the reason Why I've gone and fallen In love with you You're the one thing I believe in And I know it's time because I've Got to tell you First you say it's okay Then you say there's no way Then I'm making love to you! You're the one thing I believe in And I'll get my way Or I'm going to kill you
