

## I'm A Raccoon

### The Briefs

Not a cat  
Not a dog  
Not a fox but I duno  
Rather wait in a hole  
I am starting to  
Search for food  
In the lake

I got friends down in the woods  
That is why I feel so good hey  
Your world is not for me  
I'm a racoon see what I see  
Your world is not for me  
I'm a racoon stay away from me  
I got ears  
I got claws  
I got fleas  
I got  
Lying in a garbage can outside the government  
No one man can hold me down

Your world is not for me  
I'm a racoon see what I see  
Your world is not for me  
I'm a racoon stay away from me  
Your world is not for me  
I'm a racoon see what I see  
Your world is not for me  
I'm a racoon stay away from me
