

# Giving Up

The Briggs

Hey hey

I like the way she walks  
She makes me wanna  
Get down on my knees  
I like the way she talks  
She makes me wanna  
Hey hey

Yeah I feel like givin' up  
Well I feel like walkin' out  
If you saw the way I feel  
You'd walk out too

Hey hey  
Hey hey

I like the way she sings  
She makes me wanna sing a lullaby  
I like the way she thinks  
I think I wanna  
Hey hey

Yeah I feel like givin' up  
Well I feel like walkin' out  
If you saw the way I feel  
You'd walk out too

Yeah don't you walk away  
Give it up give it up  
Well don't you walk away  
Give it up give it up  
Yeah don't you walk away  
Give it up give it up  
Yeah don't you walk away  
Give it up

Hey hey  
Hey hey  
Hey hey

I like the way she walks  
She makes me wanna get down on my knees  
I like the way she (ooh) talks and  
I think I wanna  
Hey hey

Yeah I feel like givin' up  
Yeah I feel like walkin' out  
If you saw the way I feel  
You'd walk out too

Whoa-oh feel like givin' up  
Whoa-oh feel like givin' up

Hey!
