

## False Alarm

The Bronx

Yeah, I don't think I'm alive  
Dead footsteps, another outcast screaming alone  
God help me, give me what you want  
Give me what you need, I'll take it all  
Stand fall, lost out, baby, yes I know

It's not a secret, a false alarm  
Another front page  
Lie disguised to help me burn

Another year of research stand still  
Turn on the lights, baby, show me your scars  
Salvation, give me audio give me visual overload  
So slow, lost out, baby, yes I know

Yeah, everyone is suspect  
Everyone deserts sometimes  
Another loss, I'm feeling alone

It's not a secret a false alarm  
It's not a secret, it's not a sad song  
Another front page lie disguised to help me burn  
God help us, false alarm
