

Spread Thin

The Bronx

I could mine your soul
I could scream out your name
Oh how I love you!
And I put nothing above you
I could slow you down
I could spin you around
Oh how I love you!
If you could just let me in

Don't say that you're spread too thin
And please,
Don't tell me you're too pulled apart
To use your own heart

If I could only see
What you from me
I think I could love you
If you could just let me in

Don't say that you're spread too thin
And please,
Don't say that you're too pulled apart
To use your heart.

Don't say you're spread too thin
And please,
Don't tell me you're too pulled apart
To use your heart

Don't say you're spread too thin
And please,
Don't say that you're too pulled apart
To use your heart

Oh how I could love you
If you could just let me in
