Ode To Johnny

The Bruisers

[Originally by Johnny Thunder]

It doesn't pay to try All the smart boys know why It doesn't mean, I didn't try I just never know, why It's isn't 'cause I'm all alone Oh, baby, you're not home And when I'm home Big deal, I'm still alone It's so restless, I am Beat my head against a pole Try to knock some sense, down 'side my bones And even though it don't show Those guys are so old

You can't put your arms around a memory You can't put your arms around a memory You can't put your arms around a memory Don't try

You're just a basket case And you got no name Could you live with me Go on and say And even though it don't show Those guys are so old

You can't put your arms around a memory You can't put your arms around a memory You can't put your arms around a memory Don't try
