

Police Oppression

The Bruisers

[Originally by Angelic Upstarts]

I just can't take much more of this oppression
I'm going out of my head and it's losing that impression
I'm gonna go out for a walk
I'm gonna sit down and have talk
There asking me how
And they're asking me why
Have you ever seen grown men cry

Police, police, police oppression
Police, police, police oppression

I really find it hard even walking around the streets
Hey I know you son I'll knock you off your feet
Same number a million times before
Shut your mouth son or I'll knock you on the floor

Police, police, police oppression
Police, police, police oppression

I just can't take much more of this oppression
I'm going out of my head and it's getting that impression
I'm gonna go out for a walk
I'm gonna sit down and have talk
There asking me how
And they're asking me why
Have you ever seen grown men cry

Police, police, police oppression
Police, police, police oppression

Lying in the cells is really no fun
Count the bricks learning some tricks
Ask me no questions and I'll tell you no lies
Is being different really a crime
When you ask for some respect
Give some back it just might work

Police, police, police oppression
Police, police, police oppression
