

## Coventry

## The Business

a switchblade flashes on a coventry night  
a kid lies there, he didn't want to fight  
I didn't do it as he throws up his hands  
but everyone knows where the blame is to land

we're always on the wrong side of whatever side there is  
we're always on the wrong side of whatever side there is  
the lights go down in coventry

meanwhile on the east side of town  
we didn't know what was going down  
the cops pulled us to the side of the road  
you're in a band that's the way it goes
