

Frontline

The Business

I don't give a damn for your company I wanna live my life and I
wanna be free I don't want have to spend my time with you

So take your bags of misery Shove 'em down your throat so we al
l can see Exactly what they do to you

Living on the frontline

You're selling to kids 'cos they're wild and free But don't you
ever push in front of me I know what I'd like to do to you

So you'd better run when you see my face I know where you live,
you're easy to trace There won't be much left when I'm through
with you
