

## Out In The Cold

### The Business

out in the cold she fell  
her eyes drawn and her face pale  
she lost her life with that one mistake  
now she's sentenced to stay on her own  
oh she was oh so clever oh so smart  
now her life's been taken away  
she's left forever in the dark  
she woke up one morning  
as the dark was dawning  
only to be confronted by death  
she went with a man she didn't plan  
for him to attack and rape
