

Holy Man

The Buzzhorn

Holy Man, so lucky
Yeah you, Holy Man, and nothing
Oh and help them, Holy Man, to rake the rocks off of their heads
Holy Man, just like me

And oh, you're not like me (you're not like me)
But you, oh, can help me to be

Oh hey, Holy Man, so lonely
Yeah you, Holy Man, and nothing
Oh and help them, Holy Man, to raise their hearts above their heads
Holy Man, just like me

And oh, you're not like me (you're not like me)
But you, oh, can help me to be
When, oh, it's much bigger, oh, than I understand
Will I walk on the water
If you hold my hand

Oh hey, Holy Man, so lucky
Yeah you, Holy Man, and nothing
Oh and help them, Holy Man, to raise their hearts above their heads
Holy Man, just like me

And oh, you're not like me (you're not like me)
But you, oh, can help me to be
When, oh, it's much bigger, oh, than I understand
Will I walk on the water
If you hold my hand

Oh hey, yeah, much bigger
Oh, oh yeah
Oh, much bigger
'Cause I, I understand

Oh hey, Holy Man, oh
Oh hey, Holy Man, oh
Oh hey, Holy Man, oh
Oh, hey
