

## Get to You

The Byrds

Standing in the airport I am waiting for a plane  
Goin' east to London, want to be back there again  
It's the right time of year, all the trees are autumn brown  
But I really only want to get to you

Sitting by the window, watching ocean going by  
Seems I should be with you but how fast can this thing fly  
Hey how it seems like an eternity  
All the time it took me trying to get to you

Oh, that's a little better  
Oh, that's a little better  
Oh, that's a little better  
Oh, that's a little better

Standing in the airport I am getting off the plane  
Glad to be in London even though it's pouring rain  
It's a bright sunny day when I see you run my way  
But it took me twenty years to get to you  
It's a bright sunny day when I see you run my way  
But it took me twenty years to get to you

Oh, that's a little better  
Oh, that's a little better  
Oh, that's a little better  
Oh, that's a little better
