

Glory, Glory

The Byrds

Glory, glory, Halleluja since I laid my burden down
Glory, glory, Halleluja since I laid my burden down
Glory, glory, Halleluja since I laid my burden down

Well I feel so much better, so much better
Since I laid my burden down
I feel so so much better, so much better
Since I laid my burden down

Glory, glory....

Thank you Jesus, thank you Jesus
Help me lay my burden down
I wanna thank you Jesus
I wanna thank you Jesus
Help me lay my burden down

Glory, glory...
