

One Hundred Years from Now

The Byrds

One hundred years from this day will the people still feel this
way

Still say the things that they're saying right now
Everyone said I'd hurt you, they said that I'd desert you
If I go away, you know I'm gonna get back some how
Nobody knows what kind of trouble we're in
Nobody seems to think it'll all might happen again

One hundred years from this time would anybody change their min
ds

And find out one thing or two about life
But people are always talking
You know they're always talking
Everybody's so wrong that I know it's gonna work out right
Nobody knows what kind of trouble we're in
Nobody seems to think it all might happen again
