The Byrds

Keep sayin' no to her since she was a baby  
Keep sayin' no to her, not even maybe  
Why?  
Why?

You say there's a limit there, she can't go past that  
She don't believe you, she don't think that's where it's at  
Why?  
Why?

You say she can't change that, it's the way you've always done  
it  
She don't care about that, she thinks you've just begun it  
Why?  
Why?

You say it's a dead old world, dull and unforgiving  
I don't know where you live, but you're not living  
Why?  
Why?

Keep sayin' no to her since she was a baby  
Keep sayin' no to her, not even maybe  
Why?  
Why?
