

# Angel With A Shotgun

The Cab

(I'm an angel with a shotgun, shotgun, shotgun,  
An angel with a shotgun, shotgun, shotgun)

Get out your guns, battles begun,  
Are you a saint, or a sinner?  
If loves a fight, than I shall die,  
With my heart on a trigger.

They say before you start a war,  
You better know what you're fighting for.  
Well baby, you are all that I adore,  
If love is what you need, a soldier I will be.

I'm an angel with a shotgun,  
Fighting til' the wars won,  
I don't care if heaven won't take me back.  
I'll throw away my faith, babe, just to keep you safe.  
Don't you know you're everything I have?  
? and I, wanna live, not just survive, tonight.

Sometimes to win, you've got to sin,  
Don't mean I'm not a believer.  
? and major Tom, will sing along.  
Yeah, they still say I'm a dreamer.

They say before you start a war,  
You better know what you're fighting for.  
Well baby, you are all that I adore,  
If love is what you need, a soldier I will be.

I'm an angel with a shotgun,  
Fighting til' the wars won,  
I don't care if heaven won't take me back.  
I'll throw away my faith, babe, just to keep you safe.  
Don't you know you're everything I have?  
? and I, wanna live, not just survive, tonight.

Oh, oh whoa whoa oh whoa

I'm an angel with a shotgun,  
Fighting til' the wars won,  
I don't care if heaven won't take me back..

I'm an angel with a shotgun,  
Fighting til' the wars won,  
I don't care if heaven won't take me back.  
I'll throw away my faith, babe, just to keep you safe.  
Don't you know you're everything I have?  
(I'm an angel with a shotgun)  
? and I, want to live, not just survive, tonight.  
(Live, not just survive)

? and I'm gonna hide, hide, hide my wings tonight.

They say before you start a war,  
You better know what you're fighting for.  
Well baby, you are all that I adore,

If love is what you need, a soldier I will be.
