

# Can You Keep A Secret?

The Cab

It's true that I'm a silver shadow  
And you are always on my mind  
You, you need to get over here  
We'll disappear

Your secrets safe  
And no one has to know  
I'm your getaway  
And a little bit more than you can take  
I can make  
Everything feel so damn good

I could have sworn  
We danced right here tonight  
Come on and dance with me  
Come on and dance with me, baby  
And don't you know  
I'm just here tonight?  
You wanna dance with me  
You wanna dance with me all night  
Nobody there will ever see your eyes  
Don't talk, don't walk  
Just the two of us  
Dance with me  
Dance with me  
Come on and dance with me  
Dance with me, baby

Soon we're heading to a place  
Where I'll prove  
I'm all you want and more  
You, you need to let it unfold  
Just like you're told

I could have sworn  
We danced right here tonight  
Come on and dance with me  
Come on and dance with me, baby  
And don't you know  
I'm just here tonight?  
You wanna dance with me  
You wanna dance with me all night  
Nobody there will ever see your eyes  
Don't talk, don't walk  
Just the two of us  
Dance with me  
Dance with me  
Come on and dance with me  
Dance with me, baby

Soon we're heading to a place  
Where I'll prove  
I'm all you want and more  
You, you need to let it unfold  
Just like you're told

I could have sworn

We danced right here tonight  
Come on and dance with me  
Come on and dance with me, baby  
And don't you know  
I'm just here tonight?  
You wanna dance with me  
You wanna dance with me all night  
Nobody there will ever see your eyes  
Don't talk, don't walk  
Just the two of us  
Dance with me  
Dance with me  
Come on and dance with me  
Dance with me, baby
