

Can You Keep A Secret?

The Cab

It's true that I'm a silver shadow
And you are always on my mind
You, you need to get over here
We'll disappear

Your secrets safe
And no one has to know
I'm your getaway
And a little bit more than you can take
I can make
Everything feel so damn good

I could have sworn
We danced right here tonight
Come on and dance with me
Come on and dance with me, baby
And don't you know
I'm just here tonight?
You wanna dance with me
You wanna dance with me all night
Nobody there will ever see your eyes
Don't talk, don't walk
Just the two of us
Dance with me
Dance with me
Come on and dance with me
Dance with me, baby

Soon we're heading to a place
Where I'll prove
I'm all you want and more
You, you need to let it unfold
Just like you're told

I could have sworn
We danced right here tonight
Come on and dance with me
Come on and dance with me, baby
And don't you know
I'm just here tonight?
You wanna dance with me
You wanna dance with me all night
Nobody there will ever see your eyes
Don't talk, don't walk
Just the two of us
Dance with me
Dance with me
Come on and dance with me
Dance with me, baby

Soon we're heading to a place
Where I'll prove
I'm all you want and more
You, you need to let it unfold
Just like you're told

I could have sworn

We danced right here tonight
Come on and dance with me
Come on and dance with me, baby
And don't you know
I'm just here tonight?
You wanna dance with me
You wanna dance with me all night
Nobody there will ever see your eyes
Don't talk, don't walk
Just the two of us
Dance with me
Dance with me
Come on and dance with me
Dance with me, baby
