And I think you're from another world And I, I couldn't have another girl 'Cause you, you make me feel like I'm Intoxicated In a room full of frozen faces In a moment of fractured time We eclipse in conversation As the words pass us by With you we could be the only ones here 'Cause I think you're from another world And I, I couldn't have another girl 'Cause you, you make me feel like I'm intoxicated, toxicated To the sky flying high take me to the moon Day or night we don't have to say a word 'Cause you make me feel like I'm intoxicated, toxicated Your eyes like a shot of whiskey Warms me up like a summer night Can you tell that I need you with me Let me drink you down tonight No I don't just want any pretty face Wanna wake up next to yours each day Babe, I want you be my saving grace tonight, tonight With you we could be the only ones here 'Cause I think you're from another world And I, I couldn't have another girl 'Cause you, you make me feel like I'm intoxicated, toxicated To the sky flying high take me to the moon Day or night we don't have to say a word 'Cause you make me feel like I'm intoxicated, toxicated Felt like I black out pass out Every time that we touch And if it hurts every moment Then it must be love Want your heart, Baby straight no chaser I wanna feel it in my head when I wake up (when I wake up) 'Cause I think you're from another world And I, I couldn't have another girl 'Cause you, you make me feel like I'm intoxicated, toxicated To the sky flying high take me to the moon Day or Night we don't have to say a word 'Cause you make me feel like I'm intoxicated, toxicated To the sky flying high take me to the moon Day or night we don't have to say a word 'Cause you make me feel like I'm intoxicated, toxicated

And I think you're from another world

And I, I couldn't have another girl 'Cause you, you make me feel like I'm intoxicated
