

# Temporary Bliss

The Cab

I come over  
Quarter past two  
Love in my eyes  
Blinded by you  
Just to get a taste of heaven  
I'm on my knees

I can't help it  
I'm addicted  
But I can't stand the  
Pain inflicted  
In the morning  
You're not holding on to me

Tell me what's the point of doing this every night  
What you're giving me  
Is nothing but a heart  
It's a lullaby  
Gonna kill my dreams, oh  
This is the last time  
Baby make up your mind

'Cause I can't keep sleeping in your bed  
If you keep messing with my head  
Before I slip under your sheets  
Can you give me something, please?  
I can't keep touching you like this  
If it's just temporary bliss  
Just temporary bliss

We were on fire  
Now we're frozen  
There's no desire  
Nothing spoken  
You're just playing  
I keep waiting for your heart  
(I keep waiting for you)

I am fiending for the sunshine  
To show our love in a good light  
Give me reason  
I am pleading to the stars (Tell me)

Tell me what's the point of doing this every night  
What you're giving me  
Is nothing but a heart  
It's a lullaby  
Gonna kill my dreams, oh  
This is the last time  
Baby make up your mind

'Cause I can't keep sleeping in your bed  
If you keep messing with my head  
Before I slip under your sheets  
Can you give me something, please?  
I can't keep touching you like this  
If it's just temporary bliss

Just temporary bliss

I'm your one and only, only when you're lonely  
(Na-na-na-na na-na-na-na)  
(Na-na-na-na na-na-na-na)

I'm your one and only, only when you're lonely  
Baby why you callin' me?  
Not another one night  
Try'na be your whole life  
I don't wanna fall asleep

I'm your one and only, only when you're lonely  
Baby why you callin' me?  
Not another one night  
Try'na be your whole life

I can't keep sleeping in your bed  
If you keep messing with my head  
Before I slip under your sheets  
Can you give me something, please?  
I can't keep touching you like this  
If it's just temporary bliss  
Just temporary bliss  
Temporary bliss

I can't keep sleeping in your bed  
If you keep messing with my head  
I can't keep feeling love like this  
It's not worth temporary bliss
