

Instrument Of Peace

The Canadian Tenors

Where there is hatred, let me bring love
Where there is doubt, let me bring faith

Where there is falsehood, let me bring truth
Where there is pain, I'll comfort you

Where there is silence, let me sing praise
Where there's despair, let me bring hope

Where there is blindness, let me bring sight
Where there is darkness, let me bring light

And with these words I speak
Grant that I may not seek

To be heard but to hear
To be consoled but to console,
Not to be seen, but to see
To be loved but to love

For when we give love we will receive

When we forgive love, we'll find reprieve
It is in dying we'll be released
Make me an instrument of peace
