

# Remember Me

The Canadian Tenors

Remember, I will still be here  
As long as you hold me  
In your memory.

Remember, when your dreams have ended  
Time can be transcended  
Just remember me

I am the one star that keeps burning so brightly  
It is the last light to fade into the rising Sun

I'm with you whenever you tell my story  
For all of I've done

Remember, I will still be here as long as you hold me in your memory  
Remember me

I am the warm voice in the cold wind that whispers

And if you listen you will hear me come across the sky

As long as I still can reach out and touch you  
Then I will never die

Remember, I'll never leave you  
If you will only remember me

Remember, I will still be here  
As long as you hold me  
In your memory  
Remember, when your dream have ended  
Time can be transcended  
I live forever  
Remember me
