Burning Down The House

The Cardigans

Fightin' fire with fire

Watch out you might get what you're after Cool babies strange but not a stranger I'm an ordinary guy
Burning down the house

Hold tight
Wait till the party's over
Hold tight
We're in for nasty weather
There has got to be a way
Burning down the house

Here's your ticket pack your bags Time for jumpin' overboard The transportation is here Close enough but not too far Maybe you know where you are Fightin' fire with fire

All wet hey you might need a raincoat Shakedown dreams walking in broad daylight Three hundred six-ty five degrees Burning down the house

It was once upon a place sometimes I listen to myself Gonna come in first place
People on their way to work baby what did you except
Gonna burst into flame

Fightin' fire with fire Fightin' fire with fire Burning down the house

My house's
Out of the ordinary
That's right
Don't wanna to hurt nobody
Some things sure can sweep me off my feet
Burning down the house

Watch out you might get what you're after Cool babies strange but not a stranger I'm an ordinary guy
Burning down the house

Three hundred six-ty five degrees Burning down the house

Fightin' fire with fire Fightin' fire with fire Gonna burst into flame Fightin' fire with fire Fightin' fire with fire Gonna burst into flame Burnin' down the house My house Burnin' down the house

No visible means of support and you have not seen nothin' yet Everything's stuck together I don't know what you expect staring into your TV set Fighting fire with fire
