## **Communication**

## **The Cardigans**

For twenty seven years I've been trying To believe and confide in Different people I found...

Some of them got closer than others, And some wouldn't even bother, And then you came around.

I didn't really know what to call you, You didn't know me at all, But I was happy to explain.

I never really knew how I'd move you, So I tried to intrude through The little holes in your veins. And I saw you

But that's not an invitation,
That's all I get,
If this is communication,
I disconnect...
I've seen you, I know you,
But I don't know how to connect,
So I disconnect...

You always seem to know where to find me, And I'm still here behind you, In the corner of your eye.

I never really learnt how to love you, But I know that I love you, Through the hole in the sky, Where I see you

And that's not an invitation,
That's all I get.
If this is communication,
I disconnect...
I've seen you, I know you,
But I don't know how to connect,
So I disconnect...

Well, this is an invitation,
It's not a threat,
If you want communication,
That's what you get.
I'm talking and talking,
But I don't know how to connect.

And I hold... a record for being patient With your kind of hesitation.

I need you, you want me,
But I don't know how to connect,
So I disconnect,

I disconnect...
