

Gordon's Gardenparty

The Cardigans

You in brown checked suit
Said my dress was very cute
I found you found me
Dancing in this melody
Heavenly!

We were swinging on so nice
Bubbly pink champagne on ice
Nancy, Jacques Closeau and Claire
I believe they all were there
Having the time of their lives

You had Rose's lime
Mixed with vodka, I had wine
People having fun
Cocktails in the evening sun
Give me one!

We were swinging on so nice
Bubbly pink champagne on ice
Nancy, Jacques Closeau and Claire
I believe they all were there
Having the time of their lives

La la la do de do de do
