

# Hold Me

The Cardigans

Hold me, don't ever leave me  
Know me, never believe me  
Stay here but don't get too near me  
Leave me, leave me alone  
But don't ever let me go

Show me, but don't ever teach me  
Touch me, don't try to reach me  
Hold me but don't ever keep me  
Baby, don't ever let me in

And don't let me win

'cause I leave myself to you  
Yes, I release myself with you  
I believe in me and you  
So don't ever say you do

Love me, try not to need me  
Need me but don't let the greed in  
Feel free but don't ever leave me  
Give in, don't ever let me  
No, don't ever let me win

Hold me, don't ever leave me  
Ask me but don't ever make me  
Save me, don't ever forsake me  
Call me but don't ever say my name

Know what you do

'cause I leave myself to you  
Yes I release myself with you  
I believe in me and you  
So don't ever say you do

Don't let me win  
Just hold me

And you say "nina nina ninana...."

Now how can I let you go?

Hold me, don't ever leave me  
Love me but don't ever let me  
No, don't ever let me win
