

All Mixed Up

The Cars

She shadows me in the mirror
She never leaves on the light
And some things that I say to her
Just don't seem to bite

It's all mixed up
It's all mixed up
It's all mixed up

She tricks me into thinking
I can't believe my eyes
I'd wait for her forever
But she never does arrive

It's all mixed up
It's all mixed up
It's all mixed up

She said to leave it to me
(leave it to me)
Everything'd be alright
(be alright)
She said to leave it to me
(leave it to me)
Everything'll be alright

She's always out making pictures
She's always out making scenes
She's always out the window
When it comes to making dreams

It's all mixed up
It's all mixed up
It's all mixed up

She says to leave it to me
(leave it to me)
Everything'll be alright
(be alright)
She said to leave it to me
(leave it to me)
Everything'll be alright
(be alright)

She said to leave it to me
(leave it to me)
Everything'd be alright
(be alright)
She said to leave it to me, yeah
(leave it to me)
Everything'd be alright
(be alright)

If you leave it to me
(leave it to me)
Everything'll be alright
(be alright)

Yeah, if you leave it to me
(be alright...)
