

Candy o I need you  
sunday dress ruby rings  
candy o I need you so  
could you help me in  
purple hum, assorted cards  
razor lights, you bring  
and all to prove you're on the move  
and vanishing  
candy o I need you so  
candy o I need you so  
the edge of night distract yourself  
obstacles don't work  
homogenize, decentralize  
it's just a quirk  
different ways to see you through  
all the same in the end  
peculiar star that's who you are  
do you have to win
