

Since You're Gone

The Cars

Since you're gone
the nights are gettin' strange
Since you're gone
well nothing's makin' any sense
Since you're gone
I stumbled in the shade
Since you're gone
everything's in perfect tense, well

I can't help it
when you fall apart
And I can't help it
Guess you better start
That is forgettin' about you

(since you're gone)
Since you're gone
nights are gettin' strange
(since you're gone)
Since you're gone
thrownin' it all away
(since you're gone)
Since you're gone
the nights are gettin' strange
(since you're gone)
Since you're gone
thrownin' it all away

I can't help it
everything's a mess
I can't help it
you're so treacherous
when it comes to tenderness
(since you're gone)

I can't help it
everything's a mess
I can't help it
you're so treacherous
Oh where's that tenderness?

(since you're gone)
Since you're gone
I missed the peak sensation
(since you're gone)
Since you're gone
I took the big vacation
(since you're gone)
Well never feel sedate
(since you're gone)
Well the moonlight ain't so great
(since you're gone)
Since you're gone
(since you're gone)
Well I've thrown it all away
(since you're gone)
Well the nights are getting strange

(since you're gone)

I've thrown it all away

(since you're gone)

Well, since you're gone

(since you're gone)

Since you're gone

Since you're gone

(since you're gone)

I've thrown it all away

(since you're gone)
