

# Since You're Gone

The Cars

Since you're gone  
the nights are gettin' strange  
Since you're gone  
well nothing's makin' any sense  
Since you're gone  
I stumbled in the shade  
Since you're gone  
everything's in perfect tense, well

I can't help it  
when you fall apart  
And I can't help it  
Guess you better start  
That is forgettin' about you

(since you're gone)  
Since you're gone  
nights are gettin' strange  
(since you're gone)  
Since you're gone  
thrownin' it all away  
(since you're gone)  
Since you're gone  
the nights are gettin' strange  
(since you're gone)  
Since you're gone  
thrownin' it all away

I can't help it  
everything's a mess  
I can't help it  
you're so treacherous  
when it comes to tenderness  
(since you're gone)

I can't help it  
everything's a mess  
I can't help it  
you're so treacherous  
Oh where's that tenderness?

(since you're gone)  
Since you're gone  
I missed the peak sensation  
(since you're gone)  
Since you're gone  
I took the big vacation  
(since you're gone)  
Well never feel sedate  
(since you're gone)  
Well the moonlight ain't so great  
(since you're gone)  
Since you're gone  
(since you're gone)  
Well I've thrown it all away  
(since you're gone)  
Well the nights are getting strange

(since you're gone)

I've thrown it all away

(since you're gone)

Well, since you're gone

(since you're gone)

Since you're gone

Since you're gone

(since you're gone)

I've thrown it all away

(since you're gone)
