

That's It

The Cars

Well, that's it
Don't wanna show you
That's it
Don't really care
Can't you see
It's misery
And that's it
Oh, yeah

Well, that's it
(that's it)
Don't play it cool now
That's it
(that's it)
Your trick is dead
Can't you see
It's lunacy
So, that's it
(that's it)
Oh, yeah

I'm lettin' it all go
I'm lettin' it all go
Back to one
(back to one)
Just for fun
(just for fun)

Well, that's it
(that's it)
Don't make it harder
That's it
(that's it)
Don't make it tough
Can't you see
No remedy
And that's it
(that's it)
Oh, yeah

I'm lettin' it all go
I'm lettin' it all go
Back to one
(back to one)
Just for fun
(just for fun)

That's it
