

# Tonight She Comes

The Cars

I know tonight she comes  
She's taken a swipe at fun  
She gives me a reason  
The sight in my sights  
Well I know tonight she comes

She channels me up  
She does it with ease  
And sometimes she passes through me  
Just like a breeze  
She gives me a reason  
For feeling alright, oh well  
(Know tonight) (I know tonight) I know tonight  
(Know tonight) (I know tonight) I know tonight  
(Know tonight) (I know tonight) she comes

I know she going to do it to me  
One more time  
I know she gonna to stay implanted  
In my mind  
Why does she keep me hanging  
On the line

I know she going to do it to me  
One more time (one more time)  
I know she gonna to stay implanted  
In my mind  
Oh, why does she keep me hanging  
On the line, oh yeah

I know the way that she feels  
And all of the hearts that she steals  
She tells me it's easy  
When you do it right, oh well  
Well I know tonight she comes

She tells me it's easy  
When you do it right  
(Know tonight) (I know tonight) I know tonight  
(Know tonight) (I know tonight) I know tonight  
(Know tonight) (I know tonight) she comes

I know tonight (I know tonight)  
Oh yeah (I know tonight)  
Well, I know tonight  
(Know tonight) (I know tonight) tonight she comes
