All I need is what you've got All I'll tell is what you're not All you know is what you hear I get this way when yo come near

R: Then I know it's gone too far Oh, oh, I touched your star And it felt so right Like the hush of midnight Until you said With me it's touch and go

All I need is you tonight
I'm flying like a cement kite
In your headlock on the floor
Who could ever ask for more

R:

All I want is you tonight
I guess that dress does fit you tight
And how that look does make me shake
It almost looks too good to take

R:
