

Victim of Love

The Cars

She can take you
anywhere she wants to
she can show you things
that make you weak
she can make you think
that you're the only one
she can steal your heart
with just one wink
she'll hold you tight she won't let go
she'll make it last and she'll make it slow
she'll tell you things
that you should not know
'cause you're the victim
the victim of love
framed by the night
touched by the glove
you're the victim
the victim of love
she can freeze you
when she doesn't want to talk
she can work it on in
she can go take a walk
she can have it or leave it
she can do the skidoo
you better believe it
she's having fun on you
when she's calling you out
you better run to her
when she's just falling out
you better care
when she needs somebody
you better run to her
when she gives in too soon
it's just not fair
