

You Might Think

The Cars

Oh well uh you might think I'm crazy
To hang around with you
Or maybe you think I'm lucky
To have somethin' to do
But I think that you're wild
Inside me is some child

You might think I'm foolish
Or maybe it's untrue
(you might think)
You might think I'm crazy
(all I want)
But all I want is you

You might think it's hysterical
But I know when you're weak
You think you're in the movies
And everything's so deep
But I think that you're wild
When you flash that fragile smile

You might think it's foolish
What ya put me through
(you might think)
You might think I'm crazy
(all I want)
All I want is you

And it was hard, so hard to take
There's no escape without a scrape
But you kept it going till the sun fell down
You kept it going

Oh well uh you might think I'm delirious
The way I run you down
But somewhere sometimes
When you're curious
I'll be back around
Oh I think that you're wild
And so-o uniquely styled

You might think it's foolish
This chancy rendezvous
(you might think)
You might think I'm crazy
(all I want)
All I want is you-a-oo
All I want is you
(all I want)
All I want is you
