Datakill

The Cassandra Complex

Electric eyes, cattle prods
Sticky tape recorders
Tear gas, barbed wire words
Games and economic behaviour

The name of this game is small high bizmanship
Small high bizmanship
We engineer technofear
We engineer technofear
Technofear

Shipping overseas to the promised land of gold and
diamonds
Golden boys, golden girls
Shipping, shipping

Electric eyes, cattle prods
Sticky tape recorders
Tear gas, barbed wire words
Games and economic behaviour

Well, I know these things happen
I know people get killed
But I leave my work in the office
At home I play games
Games and economic behaviour

Digital stimulation
Datakill

State of the art, art of the state
