

(in Search Of) Penny Century

The Cassandra Complex

Penny, Penny Century
I love you, I love you
Don't go away, don't go away
Never go away, never go away
Come back and stay, stay with me
Penny Century, Penny Century
Penny Century

I want to conquer you
I'll lift you off the page
So you will be with me
You will be with me
Come to me, come to me
Come to me
Penny Century
Penny Century

Marry me, come marry me
We will live beside the sea
A handful of cliches is all we need
All we need, all we need
Penny Century

And the waves crash over us
Holding us, binding us
Calling us, wanting us
Taking us, being us
Penny Century
Oh, Penny

In search of Penny Century
I'll be searching all my life
Till the day I die
Die in your arms
Penny Century
