

It's Ok

The Cassandra Complex

Just Last night you lost your temper again
Shouted at me about silly things
And I walked away
I walked away
But I think I know
What you were trying to say
And it's ok
It's ok
It's OK

We live our lives alone
But we try to share it
It doesn't work
It never did
But still we try
To make it real
And it's OK
It's OK

Who do you criticise
Now you're alone?
Who does for you
What I used to do
There's no-one
No-one except for you
And it's OK
It's OK
