

## March

### The Cassandra Complex

I get up at nine, I go to work  
I come home at five, I feel so alive  
I'm free, I'm free

Nights are for T.V., I'm too tired for sex  
I watch my program, it's me, it's me  
I'm free, I'm free

All I want is freedom  
All I want is freedom, freedom

I need my job, but it's done by machine  
I smash my TV, it's productiviTV  
ProductiviTV

I gotta work, I gotta work  
I gotta right to work, I'm not a jerk  
Tell me what to do

All I want is freedom  
All I want is freedom, freedom

I'm looking at the sky, God help me, help me  
I follow Jesus, he sets me free, I'm free  
Free in the Lord

All I want is freedom  
All I want is freedom, freedom

Freedom from hurt  
Freedom from pain  
Freedom from desire  
Freedom from freedom  
Freedom
