

## Prairie Bitch

### The Cassandra Complex

Switch on

Pina, beautiful angel  
Take my hand, lead me  
Across the sand  
To the promised land

Face the sun  
Face the truth  
Face the enemy  
Oh, Pina, face the truth in me

Fading scars, white lies  
T.V. stories  
T.V. is everything

I'm falling, falling down  
Fall in, fall out  
Oh, Pina, I'm your prisoner

Pina, beautiful alien  
Dance with me, take my hand  
Oh, Pina, be with me

Realpolitik, realpolitik  
Liebe, liebepolitik  
Oh, Pina  
March over me

TV is everything
